

## Accounting Teacher Needed-Apata, Ibadan.

### Description

Molly Distinct Consult is looking for Professional Financial Accounting Teachers to join this vibrant, happy and successful school in Apata, Ibadan.

### About the School

The school is a co-educational school for more than 30 years now. Their vision is to build a local and internationally respected educational institution committed to ensuring a student centered, world class learning environment that will breed well-groomed scholars and leaders that will contribute immensely to our society.

They deliberately strive to aid the total development of every child in their care, to become global citizens by instilling into them the right and required moral discipline, knowledge and guidance needed.

Their serene learning environment is next to none in the whole of Apata and environs. They believe that a conducive and serene environment is a catalyst for learning.

Over one thousand and two hundred students have graduated from the school, and they have proceeded into notable prestigious higher institutions of learning in Nigeria and the diaspora.

### Responsibilities

- Teaching students about financial reporting standards such as Generally Accepted Accounting Principles (GAAP) or International Financial Reporting Standards (IFRS)
- Providing individualized instruction to students who are struggling with material or whose needs are not being met by the standard curriculum
- Creating lesson plans and maintaining records of student progress on academic projects
- Assisting in the development of new programs, curricula, and materials based on changing education requirements
- Training new hires on company policies and procedures pertaining to accounting, finance, or taxation
- Conducting staff meetings to ensure that teachers are meeting their professional development goals
- Assigning homework and grading tests, quizzes, and other assessments
- Preparing reports summarizing students' progress and evaluating their performance
- Developing lesson plans based on state and national standards for
