

Geography Teacher Needed-Cement, Lagos

Description

Molly Distinct Consult is seeking a highly qualified and experienced Geography Teacher to join our academic team. As a Geography Teacher, you will be responsible for designing and delivering engaging Geography lessons to students in line with the Cambridge International Examination (CIE) IGCSE curriculum. The successful candidate will have a strong background in Geography, excellent instructional skills, and a passion for inspiring students to develop a deep understanding and appreciation for the subject.

Responsibilities

- **Curriculum Development:** Develop and implement a comprehensive and engaging curriculum that aligns with the CIE IGCSE *Geography* syllabus, ensuring it meets the educational needs of students.
- **Lesson Planning and Delivery:** Plan and deliver effective and interactive *Geography* lessons that cater to the diverse learning styles and abilities of students, fostering their understanding of *Geographical* concepts and principles.
- **Classroom Management:** Establish and maintain a positive and supportive learning environment that encourages active student participation, promotes respect, and ensures the well-being and safety of all students.
- **Assessment and Feedback:** Regularly assess student progress through various formative and summative assessment methods, provide timely feedback, and track individual student performance to identify areas of improvement.
- **Individualized Instruction:** Identify the unique learning needs of students and provide individualized instruction and support to ensure their academic growth and success.
- **Laboratory and Practical Work:** Organize and supervise laboratory experiments and practical activities, ensuring students develop essential scientific inquiry, observation, and data analysis skills.
- **Resource Management:** Select and utilize appropriate educational resources, including textbooks, online materials, and multimedia tools, to enhance the teaching and learning experience.
- **Parent Communication:** Maintain open and effective communication with parents or guardians, providing regular updates on student progress, addressing concerns, and fostering a collaborative relationship.
- **Professional Development:** Engage in ongoing professional development activities to stay abreast of advancements in the field of *Geography* education, integrating innovative teaching methodologies and technologies into classroom practices.
- **Extra-Curricular Involvement:** Actively participate in school activities, such as field trips, science fairs, or clubs, to provide additional opportunities for students to explore and appreciate the wonders of *Geography* outside the classroom.

Qualifications

Bachelor's degree in Geography or a related field (Master's degree preferred).

Teaching certification or qualification in secondary education.

Strong knowledge and understanding of the CIE IGCSE Geography curriculum.
