

## Home Economics Teacher Needed-Apata, Ibadan.

### Description

Molly Distinct Consult is currently seeking a qualified and experienced Home Economics Teacher to join our school as a Home Economics Teacher. The successful candidate will have a passion for teaching, a strong background in Home Economics, and the ability to deliver high-quality education to students.

### Responsibilities

Develop and deliver engaging and interactive lessons in Home Economics based on the curriculum.

Create a positive and inclusive learning environment that fosters student engagement, curiosity, and independent thinking.

Design and implement appropriate assessments to evaluate student progress, providing timely and constructive feedback.

Utilize a variety of teaching strategies, resources, and technologies to enhance student learning and cater to different learning styles.

Support and guide students in developing practical skills related to cooking, nutrition, food safety, and general home management.

Promote the importance of healthy eating habits, personal hygiene, and sustainable practices through practical demonstrations and discussions.

Encourage students to develop critical thinking, problem-solving, and decision-making skills in relation to food choices, budgeting, and resource management.

Collaborate with colleagues to develop cross-curricular connections and promote interdisciplinary learning opportunities.

Maintain accurate and up-to-date records of student attendance, grades, and other relevant information.

Communicate effectively and regularly with parents or guardians regarding students' progress, achievements, and areas for improvement.

Participate in professional development activities to stay updated with current educational practices, resources, and methodologies

### Qualifications

Bachelor's degree, PGDE, M. ED in Home Economics, Nutrition, or a related field (a teaching qualification is desirable).

Previous teaching experience, preferably in a school setting.

Familiarity with the curriculum and assessment practices.

Strong knowledge and expertise in Home Economics concepts, including cooking techniques, nutrition, food safety, and home management.

Excellent communication and interpersonal skills to engage students, parents, and
