Science Teachers

Description

Molly Distinct Consult is looking for Science Teachers who can teach any of the Physical Sciences to join this school in Dopemu, Lagos to foster a healthy learning environment for their students.

Responsibilities

For Mathematics Teacher:

- Planning and presenting lessons to facilitate students' understanding and application of mathematical concepts.
- Preparing and distributing learning material such as notes, assignments, and quizzes.
- Sourcing the resources and supplies needed for lessons.
- Ensuring that the classroom remains safe and conducive to learning.
- Grading assignments and quizzes in a timely manner.
- Invigilating quizzes and final examinations.
- Documenting and reporting on students' progress.
- Attending meetings with parents and staff.

For Physics Teacher:

- Understanding curriculum requirements, and creating syllabi, lesson plans, and educational content that satisfy these requirements.
- Analyzing the needs, strengths, and weaknesses of students and structuring lessons and assessments around them.
- Adjusting teaching methods to suit different groups of learners.
- Creating engaging, stimulating lesson plans and asking frequent questions to make sure students are on track.
- Reporting any progress issues to the head of the department, as well as the parents.
- Attending meetings, training sessions, workshops, conferences, and other continuing education initiatives.
- Supervising lab sessions, delivering practical demonstrations, and accompanying students on field trips.
- Providing extra support to students that require it, and more challenging tasks to those who are ahead of the class.
- Keeping abreast of developments and research in the field, and using this to ensure lessons are relevant.
- Keeping the line of communication open between students, staff, and parents.

Responsibilities for Chemistry Teacher;

- Teach three junior-level and three senior-level chemistry courses per school year, including at least one advanced placement course, following course requirements as outlined by the department
